## Transition Belper - Join us and make a difference

By joining Transition Belper you will be helping to financially support our activities and groups, which are all aimed at making our town a more sustainable place for us all to live, work and play, reducing our impact on the planet and our individual and community carbon footprint. Transition Belper is made up of people from all ages and backgrounds. It is not a political group, or a campaigning group. What brings us together is a shared desire for action for the benefit of our local community and our planet. Transition Belper is a Charitable Company, funded principally through community good will. These funds, and volunteer effort, are directed towards our Charitable aims. By becoming a Member you will have a say in what projects it carries out, become fully involved in one or more of them, or even start up your own!

If you want to join, fill out the form in full below, and hand it with your subscription to a Trustee. The subscription is £5. This top part will be returned as your receipt. Alternatively, send the whole form with subscription to the Membership Secretary at Sunnymount, 1 Derby Road, Milford, Belper, DE56 0RA with a cheque.
